I'm also going to see if I can hunt down some photos of the mine discharge, the collection ponds, and the sampling activities.

Hi Alex- the Cameron format is perfect, let's use that one. I asked the team in Farmington for images but haven't received anything yet.

Thanks!

Hi Sarah,

Is there any particular color scheme/graphics/style that you're looking for? Attached here are a couple of recent Fact Sheets as examples. Not sure if you have a preference, or any specific images you would like to use.

Hi Alex,

Attached find the text for the fact sheet. I'll follow up with you as soon as I have any updated text, but we hope to have this ready and printed by tomorrow morning in Farmington.

Thanks,

Sarah
